

Connecticut Manufactured Housing Association

2020 Membership Notice Manufacturers, Service Providers and Retailers

Date: December 16, 2019

Thank you for your continued support of the Connecticut Manufactured Housing Association. The work CMHA does is essential to the manufactured housing industry in Connecticut. Your support, through your membership and participation in CMHA events, makes our work possible. From collaborating with the CT Mobile Manufactured Home Advisory Council to help shape legislation to informing and educating members about critical developments concerning the industry, we would not have been as successful as we have been without members like you. We hope we can count on your support again in 2020.

If you are not already a member, please consider joining. New members are always welcome!
