

Connecticut Manufactured Housing Association

2021 Membership Notice

Manufacturers, Service Providers and Retailers

Date: December 17, 2020

Despite the difficult conditions in 2020, the Connecticut Manufactured Housing Association (CMHA) has continued working for you. While in-person gatherings have not been possible this year, we have been actively monitoring and responding to legislative issues at the state and federal level, meeting as a board to address matters in a timely manner, responding to members' questions and requests for information promptly and promoting a positive industry image. We look forward to once again being able to create networking opportunities with community owners and other service providers through educational and social events as soon as it is safe to do so.

Your support, through your membership and participation, makes our work possible. We hope we can count on you again in 2021. If you are not already a member, please consider joining. New members are always welcome!

In order to ensure that our records are up to date, particularly the name of the contact within your company and e-mail address, please complete the following:

Company Contact: _____
